Please read the following information:

We welcome you to the 24th annual Treffen! We need your help to insure that all events and activities go as smoothly and safely as possible.

For all information on locations, event schedules, and activities, go to our website at <http://www.rmpinzgauers.org> and click on the Events link. If you would like to lead a trail ride, volunteer to assist with Treffen planning, or have any other questions, please contact us by filling out the form on our Contacts page. When you are at the Treffen, come to the group tent to get the latest information. If you provided an email address on the preceding registration page, you will be sent confirmation of your registration and valuable updates between now and Treffen time.

****All adult registrants will be required to read and sign an event waiver before they participate in any Treffen activities. No exceptions!****

- Safety is always our #1 concern.
- Please observe the 5mph speed limit in the campground at all times.
- Please watch your children and pets.
- Leadville can get cold even in the summer especially at night or during wet weather. In the summer, you could get rained on and it's cold! Please bring adequate cold weather camping gear and outerwear. If you have medical problems that can be aggravated by the altitude, please try and moderate your exertion level. Leadville itself is at 10,000 feet above sea level!
- Bring plenty of bug spray!!!
- Drink plenty of water. Dehydration is a common cause of many illnesses at this altitude.
- In case of illness or injury, please notify a Treffen Host as soon as possible.

Trail rides: We will be doing trails of varying difficulty this year though most are **moderate to EXTREME**. Please study the lists of available rides and choose ones suited to your driving and your vehicle's ability. The Rocky Mountain Pinzgauers **are not responsible for damage to your vehicle or injuries sustained during our trail rides.**

Communications: If you don't have one, consider putting a CB radio in your truck or get a good quality CB portable. CB's are our primary way of communicating during trail rides & "convoy" style events and they will make your participation in the events more informative and enjoyable. We'll be using channel 4 for the entire event.

Well-behaved dogs and their responsible owners are welcome!

Campground Quiet time is 9 PM to 8 AM. Please be considerate of the other guests. This rule is strictly enforced.

Last of all, have a great time! We're glad you're here!

PLEASE, if you have any questions you can email Barb at scrappybarb@comcast.net
